OFFICIAL JOURNAL OF THE CITY.

TUESDAY MORNING, : :: SEPT. 26, 1871

4. J. Ledysrd Hodge a paymaster in the army, according to his own published confession, stole more than \$450 000 from

RECAPITULATION.820,700,983 3 Golden Ruie ... J. W. Norton..... 115,000 00

of the robberies committed. To the Doolittle's election is a settled fact, several southern States amounting in the aggregate to \$182,000,000, most of thus given officially: In 1880 the debt was

In 1858 the debt was...

affect the people of the entire country, and impose additional burdens upon the tax-ridden people of every State, especially upon us in the south so little able to bear them in comparison with the plethoric north and west.

TAXATION.

From every quarter of the State comes the applause of the people for the course the APPEAL has pursued upon the question of taxation. The merchants who ask release from present pressing burdens say "Amen!" to all we have said and bid us go on, and the mechanics and labortheir help say "Amen!" because they feel existing rates of taxation too heavy, and so far from be-New York bond-holders demand, the State-and place it where it was, too many friends and relatives. as to taxable values, in 1861. We cannot pay the interest on our bonds next and no more than an eighth per cent, ed from 58 to 59. Increase in population. So hard pressed have we been that we have not been able to maintain public charfore, pay the interest on the State even the respect of curiosity. debt, \$38,000,000 of which was forced upon us by the Radical legislatures, and that, too, without any equivalent. Our creditors must wait. The press and people demand that they shall although we know that in doing so we to Agassiz as a prediction, is creating are aiding and assisting the thieves quite as much interest on some parts who robbed us. The State's honor is of our Atlantic coast as the second pledged and we will sustain it. We will pay principal and interest, but weeks to the time when the threatneither this year. The press and ened great rush of waters will be uppeople say so.

THE Richmond Whig says the struggle the Democracy is making in the hight of fifty feet or more, on the Virginia is not a selfish one night of the 5th or the morning of the for the offices, but to prevent 6th of October." Fortunately, we unscrupulous and rapacious adven- can profit by the experiences of our turers and plunderers from installing how it was himself. themselves in them. "Suppose," it says, "the Radicals should elect a ma-tanked amongst cotton-producing tanks of the members of the countries, and now South Africa has jority of the members of the General Assembly, what sort of county judges (for instance) would county for the members of the entered the field. A cotton show was held at King William's Town, Cape Colony, on the 10th of August, for the they give us? We all know that purpose of illustrating the growth of they would saddle us with ig. they would saddle us with ignorant and corrupt political judges, better than the Egyptian, and that it who would be mere instruments in will ultimately produce a staple that the hands of party managers. We will prove a dangerous competitor to would all be harassed to death. Life that of America. The climate is very would be intolerable".

Texas Legislature has reported in lie waste, are being reclaimed. favor of a general election of State offi-cers and members of the Legislature this fall. The majority sak the Gov-ernor to appoint the election on No-variable 2: the minority want to leave vember 2; the minority want to leave the time to be decided by the Governor. It's all the same. Radical rule indication between nations. During fitteen years, in the very basis of the foregroup conclusion in the Lone.

Special attention given to saving Testh, however much they have decayed or ached. Nearly twenty years' experience in the practice of Dentistry, teaches us that many thousands of teeth are ignorantly and recklessiy wands or teeth averticable during life by an educated and skillful Dentist. The painful extraction of teeth will be performed only when actual necessity requires it. All disagrees of the Teeth, Gums and Mouth skillfully treated, and cared. Advice freely given as to the only certain method of preserving the matural teeth which are stronger, more durable, more cleanly, can be worn more durable, more cleanly, can be worn more durable, more cleanly, can be worn more durable, more cleanly can be worn more durable of the more constitution of the c spect far superior to any other now known or in use. And as the process of making these teeth does not require half the time and FOR SALE LOW.
